GENTLEMEN:—

The effect of using Dr. Ward's Pills has been truly wonderful. I have for several years been troubled with dyspepsia and biliousness, also headaches accompanied with dizziness and heart trouble. It seemed at times that my heart was in my throat; I would feel as though I was smothering at times—I had to sit up in bed in order to breathe. I feel that had it not been for Dr. Ward's Blood and Nerve Pills I would not have been living to-day. In two weeks' time I did not feel like the same person. My progress was watched with much interest by many of my neighbors and friends. In fact it is the only successful remedy that I have ever used.

Thanking you, gentlemen, for the great good that you have done me, I remain,

Yours very truly,

W. F. MUDGE,

Traveller Acetylene Light Co'y.

A TELEGRAM.

A Telegram takes a minute to travel a thousand miles. In that time the human nerves will bring before the eye of the mind the events of a lifetime. Delicately sensitive, wondrously quick are our nerves. The stress of modern existence wears, deranges and prostrates them—but modern science produces the remedy,—

DR. WARD'S Blood and Nerve Pills.

NO DISPUTING THIS FACT.

MR. GEORGE E. CHAMBERS, the General Agent of the Sprague Collecting Agency, 218 Lasalle St., Chicago, Ill., thinks well of Dr. Ward's Blood and Nerve Pills. Can't Sleep.

The weary vigils of the night, anxious hours that drag like days. How often they come, and how unwelcome they are. A system robbed by sleeplessness of natural rest cannot be vigorous and strong. The nerves are at fault and must be

**MISS EMMA TEMPLE,
AND THEY WILL CURE YOU.**

HASTINGS, May, 1898.

THE DR. WARD CO., Toronto:

At last, after eight months of physical weakness and nervous prostration, caused by over exertion and want of rest,—during which time I suffered greatly on account of the shattered condition of my nerves, and for which I was unable to find any relief. I have found a medicine (Dr. Ward's Blood and Nerve Pills), that in three months made my nerves strong, removed all nervous troubles, built up my physical system and made me strong and well. They removed despondency, and in consequence of taking your valuable Pills I look forward to the future hopefully. I have to thank your great cure for nervousness and bodily weakness for my present good health and strength.

Yours truly,

Cannot Eat.

Food is the fuel that feeds the fires of life. Digestion is the process that turns the fuel into energy. Few possess perfect digestion. If your digestion is imperfect, if you cannot eat what you like without discomfort, if you cannot eat when you ought to eat, the time has

come when you should take Dr. Ward's Blood and Nerve Pills. Hunger is the best Sauce. Take these Pills and get hungry. You may eat what you want if you take Dr. Ward's Pills.

THEY PROVE BY THEIR WORK WHAT THEIR MERITS ARE.

My system was entirely rejuvenated by the use of Dr. Ward's Blood and Nerve Pills, and I consider them a marvellous strength and nerve builder for dyspepsia. I was so sick and miserable that I seemed to have no life or energy left in me. I suffered so at times that I thought death would be better for me. I had tried Doctors and different kinds of medicines, but all failed to do me any good. I am in every way now a well woman, and have been for months. Before using these Pills I was so sick that I could not keep anything in my stomach. I was under the opinion that dyspepsia could not be cured, but now I am satisfied it can be cured, for I am able to eat like any healthy woman and feel better in every way. They have built me up also,—I now weigh several pounds more than I ever did before. In conclusion, I would advise every woman afflicted with poor digestion to give Dr. Ward's Pills a trial.

TO CARRY A CHESTNUT.

Carrying chestnuts and rabbits' feet are old but useless remedies for Rheumatism.

The way to get cured is to carry off the poisonous Rheum, the Uric Acid and Urates that cause twitching torturing pains. Those who have tried Dr. Ward's Blood and Nerve Pills for this purpose are now free from Rheumatism, and more than that, they are

MUSCULAR RHEUMATISM AND FEVER.

Dr. Ward's Blood and Nerve Pills cured me of a severe attack attended with high fever, severe headaches, and distressing pains all over my body, rheumatism having settled in my muscles and almost destroyed my nerves. I took Dr. Ward's Pills according to directions with the result that I am not harassed by my old enemy any more, notwithstanding I am on my feet all day. My nerves are as strong as ever they were in my life, and no change in the atmosphere has any effect on me now. I heartily recommend them to all who suffer from rheumatism.

THOUGHT HE WOULD NEVER GET BETTER.

I was afflicted with inflammatory rheumatism and gradually grew worse and so weak that I thought I was never going to get better. I lost my appetite. My limbs were terribly swollen, and the lightest touch caused me very much pain. After taking four boxes of Dr. Ward's Blood and Nerve Pills I was free from all pain. The swelling has all left my limbs. I have a good appetite, sleep well, and I am an all round healthy man. I think nothing of walking five or six miles at a time, and feel no fatigue whatever. I attribute my present healthy condition solely to the use of Dr. Ward's Blood and Nerve Pills.

A LADY WRITES A LETTER IN GRATEFUL TRIBUTE.

GENTLEMEN:—

Before taking Dr. Ward's Blood and Nerve Pills four months ago, I had been for about one year constantly losing strength daily, becoming weaker, until at last I became so weak and enervated that I had not strength sufficient to do ordinary household work. Physicians pronounced my illness Kidney trouble, causing Dropsy, but could give no relief, on the contrary the symptoms became worse instead of better. The swelling of my limbs became more aggravating. My blood had no strength. I became pale and emaciated and terribly nervous. I could not rest night or day. My sleep was feverish and fitful, imparting no strength to my exhausted system, leaving me so weak that it was a great effort for me to get up in the morning. I had no appetite. The sight of food nauseated me, I being in such a run-down, weak condition, and being unable to gain strength or relief from dropsy. I became very discouraged and melancholy, fearing I was beyond medical help. Fortunately, four months ago, I was persuaded to try Dr. Ward's Blood and Nerve Pills. I continued their use, because I derived so much benefit from the start. It is wonderful how quickly after taking them I began to improve in strength and health of body and nerves. In less than six weeks all dropsical symptoms disappeared. I regained healthy color and physical strength. Dr. Ward's Blood and Nerve Pills restored my appetite. Gave me healthy restoring sleep and strong nerves. Supplied the lost oxygen to my blood, making me well, strong and happy. These are the facts, and on account of my restoration to health and strength and cure of dropsy by Dr. Ward's Pills, I send you this statement, in the hope that others may be benefited. Although I am adverse to having my name brought before the public, I allow it in the interest of suffering humanity.

Yours truly,

MAGGIE BRENNAN, King St., Kingston, Ont.

TREMBLING HANDS AND SHAKY MEMORY. A HAMILTON MAN'S EXPERIENCE WITH THE NEW MEDICINE.

DEAR SIRS :—

Language is inadequate to describe the gratitude I owe for the benefit derived from the use of your extraordinary remedy, Dr. Ward's Blood and Nerve Pills.

I have spent half a fortune in doctors' bills, all to no avail. These Pills seemed to reach the seat of disease at once, and they also seemed to possess a remarkable influence over me. The violent palpitation of the heart, the trembling of the hands, the loss of masculine vigor, the frightful dreams, the loss of memory and general collapse of the entire system, have yielded to your wonderful Blood and Nerve Pills. Great were the results from the use of four boxes of these Pills. At present I am enjoying the very best of health. Without a doubt they are the most reliable and effective Pill advertised, and I fully believe they are able to do for others as much as they have done for me. Before using them I was a miserable wreck. To-day I am a well man.

Yours truly,

THOS. FLYNN, 51 Elgin St., Hamilton, Ont.

A Strong Woman.

The beauty of a woman depends upon her health and strength. However lovely in form or feature a woman may be, she cannot be beautiful if she is sickly. Good health has a beauty all its own and heightens every natural charm. Now-a-days, when ill-health and diseases peculiar to women are so prevalent that scarcely a house-

hold is without an ailing member, it is glad tidings to make known the remedy. One woman has been brave enough to tell the news to her suffering sisters, and here is what she says :

“I have more faith in Dr. Ward's Blood and Nerve Pills than anything else I have ever used. Since using them I have recommended them to several of my friends who were troubled as I was, and now they are in splendid health. I had been a sufferer, like a great many other women, with a disease peculiar to my sex. I tried everything I could read or think about to help me, but was getting worse instead of better. My condition was terrible—I was losing flesh and color and my friends were alarmed. I consulted a doctor of this town and he said I would never get better ; that I would always be sickly and delicate, and that medicines were of little use to me. Hearing what Dr. Ward's Blood and Nerve Pills had done for others, I determined to try them myself, and to-day I weigh one hundred and forty pounds, while before I weighed only one hundred and eighteen pounds, and I now have a constitution that is hard to beat. I have not suffered any pain in months, and earnestly hope Dr. Ward's Blood and Nerve Pills will reach every woman suffering as I did.”

Sincerely yours,

MAY COLE, Simcoe, Ont.

Young Girls, Weak and Wavering.

Bloodless, white, pallid, envious often of the health of romping, rosy sisters or friends, yet too tired and weary to even feel much envy. Easy prey they are to consumption and other fell destroyers of health, life and happiness. Remove this condition by the use of Dr. Ward's Blood and Nerve Pills, and health, vigor, vivacity return as if by magic. It is easy to do so, and hundreds have personally proved the assertion, as in the following case.

A DAUGHTER'S RESTORATION.

GENTLEMEN:—I think it is due to you to let you know what a great boon Dr. Ward's Blood and Nerve Pills have been to my daughter Maggie. Prior to taking them, she had been suffering from excessive nervousness for a long time, and her nerves were in a terribly shattered condition. The action of her heart was so weak that it did not have strength to perform its functions, causing violent palpitations and smothering after retiring. Frequently on account of this suffocating sensation she was afraid to go to bed. Slight exertion exhausted her and caused shortness of breath. Her blood was impoverished and lost vitality and she had no appetite. She was wasting away and was very hypochondriacal, feeling dejected all the time. Last December she began taking Dr. Ward's Blood and Nerve Pills and she began to improve at once. Her blood became healthy and strong, and in six weeks her impaired nervous system was restored to its normal healthy condition. Her heart responded to the healthy condition of her blood and nerves. She now sleeps without any of the former dangerous, distressing, smothering and choking spells, her appetite is good and she has gained in flesh. Healthy color has replaced pallor and she is well and strong, thanks to Dr. Ward's Blood and Nerve Pills.

People Getting Old.

As age advances, vitality retreats. Old people find themselves tired, listless, dyspeptic and lacking in strength. They lose interest in the active affairs of life, and may

either become chronic complainers, burdening their friends, or they may, by using Dr. Ward's Blood and Nerve Pills be made bright, cheery, happy and healthy, as witness the following interesting example. The words of those who have lived many years carry wisdom with them. Why not profit by them?

A RIGHT-THINKING MAN.

A RESIDENT OF GLENCOE WANTS TO HELP HIS NEIGHBORS.

GENTLEMEN :—

Nothing does a right-thinking man more good than helping his neighbors, especially the sick and weary. In recommending Dr. Ward's Blood and Nerve Pills, and helping to bring them before the public, I feel that I am truly helping my neighbors. Both my wife and myself have used these Pills and derived great benefit from them. We are getting along in years, and like many others feel the need of a tonic and a strengthening medicine. My blood was thin and impoverished, and my wife was miserable with general debility, brought on by dyspepsia. We used many kinds of medicine, but nothing did so much good as the Dr. Ward's Blood and Nerve Pills. It is a pleasure to me to recommend Dr. Ward's Blood and Nerve Pills to all who are suffering as we were, because I feel sure they will be benefited by their use.

The Terrible Tension

**Of Modern Life Makes Men and
Women Go Crazy. Men Have
Business Worries; Women
Have Family Cares.**

But little need be said as regards the lines above. The facts are only too apparent. Day by day we read the results of the nerve strain of the present time. Brain and nerve must be aided, helped and toned to meet the conditions. Dr. Ward's

Blood and Nerve Pills do the work and do it well.

CAPTAIN FLETT, OF THE SALVATION ARMY, SPEAKS OF HIS RESCUE.

DEAR SIRS,—I have pleasure in testifying to the merits of Dr. Ward's wonderful medicine. His Pills, at least, have proved a wonderful medicine in my case. For years I have suffered from Locomotor Ataxia, general debility and extreme nervous prostration, and after having spent hundreds of dollars in the payment of doctors' bills, patent medicines, etc., I finally was induced to try what your pills would do for me, and truly I am thankful that I did so, for to-day I am a new man, because the day that I took the first dose I began to get better, and I have now to know what it is to be sick. I can eat and sleep now and feel a new man in every respect, and I am taking this opportunity of publicly expressing my gratitude to you, and I lose no opportunity of proclaiming the merits of your wonderful medicine to all my friends and also my fellow soldiers of the Salvation Army, of whom I have the honor to be, I trust, a worthy member. You have my full consent to use this letter in any manner in which you may deem fit, and I only hope that everybody who suffers from any complaints to which mankind or womankind are subject will take a true believer's advice and try Dr. Ward's Blood and Nerve Pills.

Yours truly,

Can't Enjoy Life

Because of nervousness, dyspepsia, heart trouble, etc. Lots of people just have to sit and look on while their healthy, vigorous friends have all the enjoyment of a strong and robust body. Dr. Ward's Pills will bring back health, strength, snap, vim and energy to even the weakest and weariest of suffering humankind.

A BAD INVESTMENT MADE GOOD.

I should judge I must have half a gross of empty bottles upon my shelves, which represented at one time a good many dollars. Everything my neighbors and friends would tell me to try I would go straight away to the drug store and purchase. I was in a terrible condition from dyspepsia and liver troubles and was getting worse all the time. I was so discouraged buying one medicine and the other and receiving no benefit that I was about giving up all hope of ever getting better when my husband brought me home a box of Dr. Ward's Blood and Nerve Pills which he said had been highly recommended to him. I began using them at once with but little or no faith in them, when, to my great surprise I felt better in a very short time and continued them for about two weeks more which cured me entirely. I have not the least sign of dyspepsia or liver troubles now, and have also gained several pounds in weight. I remain, yours truly,

COOPED UP.

Whether in factory, warehouse or shop, or in the home cooking over a hot stove, or washing in the heat of summer, both men and women suffer from loss of vital nerve force.

Weakness, weariness, languor and lassitude assail them, and the result is too often serious illness and chronic disease of the nerves, heart, stomach or blood. All this can be averted by the timely use of DR. WARD'S BLOOD AND NERVE PILLS.

TWO INTERESTING LETTERS.

Frank Holt, foreman of the Toronto Cotton Batting Co., Toronto, has the following to say for Ward's Pills :—

"I have been troubled for the last seven years with nervous dyspepsia and have been unable to obtain any relief, either from the use of doctor's prescriptions or patent medicines.

"I have been much confined in factories most of my life and attribute that, as well as the excessive use of tobacco, to the up-setting of my nervous system and stomach trouble. About a month ago I was advised to try Dr. Ward's Pills, and they at once gave me relief, and I have been restored to health.

"I heartily recommend these Pills, as they have restored my appetite and soothed my nerves, for which I am sincerely grateful."

FRANK HOLT, Toronto, Ont.

DUE CREDIT GIVEN.

"I have been a sufferer for a number of years with stomach trouble, nervousness and similar complaints, and in that time have used enough medicine to kill a dozen healthy people. Nothing seemed to be of any use to me. Reading some of the testimonials from people who had been cured through using Dr. Ward's Blood and Nerve Pills, and knowing of some cases in my own town that had been promptly cured through the same medicine, I bought two boxes and began to improve almost immediately under their use. After using them for a short time my appetite was restored, I could eat almost anything, and my gain in health and flesh is most surprising both to myself and to my friends. My nerves have been restored to their normal condition, and I feel a thousand per cent. better than I have for years."

A MAN WELL-KNOWN.

Mr. Isaac Holden, formerly of Toronto and Montreal; cattle buyer for many years, well and favorably known all over Ontario and Quebec—says in regard to Dr. Ward's Blood and Nerve Pills: For the past two years I have been a great sufferer with muscular rheumatism, and chronic constipation. The rheumatism got so bad the early part of the past winter that I could not get around without the help of a cane. My legs, feet, arms and hands feeling numb all the time. Frequently when walking, a spasm of pain would take hold of the muscles and nerves of my legs, and in an instant I became powerless and would fall perfectly helpless, with the probabilities that I would never be able to get around again. Fortunately my son, who had received great benefit from Dr. Ward's Blood and Nerve Pills, said: "Father, why not try these Pills?" I did so, and in one week felt so much better and so much relieved from pain that I have continued the use of them. They cured me of constipation, and the rheumatism pains have entirely disappeared from my loins and stomach. They have restored healthy and natural circulation to my blood, and enabled me to get around without inconvenience. They are a marvel in the medicine line. It is the only medicine of the many I have taken that gave me immediate and permanent relief. I am satisfied that if I had not taken them I would to-day be helpless in bed, suffering torture such as only those who have acute muscular and nervous rheumatism can imagine.

Yours truly, ISAAC HOLDEN, Omemee, Ont.
